GOULDS'
GLADIOLUS & DAHLIA
GARDENS

NORTH LIMA, OHIO

LOCATION

Gardens just West of Reformed Church
on East-Lewistown-Salem Road
(Eleven miles south of Youngstown, O.)

TO OUR CUSTOMERS

WE CORDIALLY GREET YOU at the beginning of another Season, and thank you for your liberal patronage during the past.

If this is the first List you have received from us, we shall be pleased to have a trial order from you, to our mutual advantage.

Kindly show this List to your friends and send us a few names of those interested. We will include extras with your order for your kindness.

GUARANTEE

We guarantee all stock to be true to name, and in good-growing condition.

ORDER EARLY

Early orders prevent disappointment. Some varieties are always sold out early and we can't tell beforehand which they are going to be. If you do not want to pay in full for your order early in the season, send a deposit of 25% with your order and we will hold it until March 20, if Gladiolus. If Dahlias until April 20.

The above applies not only to mail orders, but orders taken at our Gardens, at Fairs and other Exhibitions.

Make all checks, drafts or money orders payable to Goulds' Gladiolus and Dahlia Gardens.

TIME OF SHIPMENT OR DELIVERY

Gladiolus during March and April. Dahlias: April 10th to May 1st. Peonies: September, October and early Spring. Irises: July, Aug., Sept. and early Spring.

All orders, at prices given in this List are delivered by us or sent by Parcel Post, *Prepaid*.

GLADIOLUS

The bulbs offered in this Price List are of large blooming size, measuring from 1 $\frac{1}{4}$ " up in diameter.

Three or more bulbs of a kind are sold at dozen rates. For larger quantities or smaller bulbs, ask or write for our wholesale list, which will be published in Jan.

DAHLIA GROWERS' SUPPLIES:

Nicotine dust,	50c per pound; 3 lbs. \$1.25
Dusting Pump, with extension for dusting small plants without stooping	\$1.50
We believe that thrips, leaf-hoppers and aphids can best be controlled by dusting with a good nicotine dust.	

IRISES

"The flower of Culture and Refinement." Wonderful effects may be obtained by planting masses of Irises along walks, drives, shrub-borders, streams, pools and in rock-gardens. Plant Irises where other plants will not grow.

All Irises named below are 20c each, for a good-sized division. \$1.75 per dozen if all are the same variety. Not less than six at dozen rate.

Canariensis	Creamy yellow
Florentina Alba	White blushed lavender
Fritjof	Lavender and purple
Honorablis	Yellow and mahogany
Ingeborg	Large white
Johan De Witt	Light and dark violet
Madam Chereau	White, bordered blue
Oporto	Rich purple
Othello	Dark purple; darker than Oporto
Pallida Dalmatica	Clear lavender blue
Pauline	Pansy violet
Rose Unique	Nearest pink

We have 30 or more other varieties of Irises that we offer in small quantities.

PEONIES

Extra strong, 3 to 5 eye divisions

Duchess de Nemour, sulphur white, fragrant, cup-shaped blossoms	each .75
Edulis Superba. Early. A beautiful clear mauve- pink, with silvery reflex. June rose fra- grance.	each .75
